About École Saint-Landry

The mission of our school is to prepare students from the Acadiana region to be academically proficient, bilingual, and globally competent. Our school will close the gaps of academic achievement and support the local community in their efforts to preserve and revitalize at-risk cultural assets by offering an innovative, research-based French immersion education to students. Borrowing from the motto of Hawai'i's immersion program, Ka'Umeke Kā'eo, École Saint-Landry will be a school "inspired by our past, empowered by our identity, [and] prepared for our future" in order to play an important role in our community's revitalization.

The vision of our school is that graduates of École Saint-Landry will be citizens who possess the knowledge, attitudes, skills, and behaviors necessary to thrive in today's increasingly interconnected world. The students of École Saint-Landry will become cultural assets in their own right and will be ambassadors of global competency. Their successes will represent the effectiveness and power of biliteracy in our community and beyond.

École Saint-Landry accepts students of all abilities. École Saint-Landry does not discriminate on the basis of age, race, religion, national origin, disability or gender in its educational programs and activities (including employment and application for employment), and it is prohibited from discriminating on the basis of gender by Title IX (20 USC 168) and on the basis of disability by Section 504 (42 USC 794).
