

Due to the size of St. Landry Parish, École Saint-Landry **cannot provide door-to-door bus pickup** for our students. Instead, we use designated satellite bus stops around St. Landry Parish, and our commitment is that all satellite stops will be within 5 miles of a student's home.

Additionally, there will be no bus stops for any student who lives within 1 mile from the school.

This FREE transportation is available for all students who choose to attend École Saint-Landry. Parents must submit transportation requests at the school when enrolling students.

Prior to the first day of school, parents are encouraged to check with the school to ensure their students are appropriately tagged as bus riders.
